

2022 Summer Book Clubs

Book clubs are a great way to engage students with reading and to help create a reading culture. While reading for fun is wonderful, knowing how to read for school is essential. The GoStrong Book Clubs focus on building the skills needed to successfully read a novel for class.

We will address topics including

- appropriate selection of a book when given a choice
- pre-reading activities
- vocabulary building
- pacing
- methods of annotation
- reading between the lines
- critical thinking
- how to discuss a book verbally and in writing
- preparation for quizzes and tests
- using the GoStrong method to complete the process

Put together your own group of 2-4 friends and join in!
